VALLEY DREAM FARM RECEIVES AWARD

"Conservation Farmers of the Year"

In the fall of 2008, we were honored to receive this award by the Lamoille County Natural Resources Conservation District. The award was granted for the commitment to good water and soil health, as well as for gifts of fresh produce to Vermonters in need. It is our goal to continue to positively affect the community we live in as well as encourage and inspire others to do the same.

50,000 lbs of produce donated to local food shelves.

The largest amount of this produce remains in Chittenden and Lamoille Counties where it is grown. Special Thanks to: The Vermont Food Bank and Salvation Farms; who were the leading sponsors for the distribution of the donated vegetables and fruits.
